THE BORING BUT IMPORTANT SMALL PRINT

- A. This is a help-out week. The organising committee will need help with everything from manning the bar and safety boats, to helping with the cadets' events and in the galley and so on, please don't wait to be asked. At registration on Sunday, there will be various rota's on which you will be press-ganged UNLESS YOU HAVE PAID THE SUPPLEMENT TO AVOID DUTIES.
- B. Children must wear buoyancy aids at all times when on the jetty. They are compulsory for all adults and children when taking part in any activities on the water.
- C. The galley is OUT OF BOUNDS when its use is required by the catering volunteers. The fridges in the galley and freezer in the clubhouse are also out of bounds. There will hopefully be a fridge in the Safety Boat garage for participants' use.
- D. A breakfast is available each morning in the clubhouse will be served between 8:30 am and 9:00 am only.
- E. Parents or Guardians are responsible for the safety and conduct of their children at all times. No child is to be left at the club without a parent or guardian present at ANY TIME.
