COMMODORES COMMENTS DECEMBER 2015

With Christmas now less than 3 weeks away there is just time to write a December Comments prior to starting on my Christmas jobs list!!

The recent gales have tested the boat tie downs, most are ok but some covers need retying and may have a lot of water on them. Some halyards are loose and flapping. If your boat has a mast up, or cover on – it's worth a visit to check it.

The special General Meeting held on the 29th November decided to proceed with the rebuilding of the top 50 metres of the jetty as soon as possible. A fund raising committee was set up, as was a committee charged with getting the job done.

The Christmas social and prize giving evening took place on Saturday 5th December, the attendance was small at 25 but a good time was had by all. Next year the format for the prize giving will change. There will be more information about this in the New Year.

The Blackwater Icicle race on 27th December with an 11.50 start will be a good opportunity to blow away those Christmas cobwebs and meet up at the club where the bar and galley will be open, and the heating on. I hope to see a number of our dinghy racers on the start line.

Don't forget the AGM is now set for January 17th with a 1pm start. This is your opportunity to let your committee know what you would like to happen next year.

Finally may I wish you and your family a peaceful Christmas and great sailing in 2016.
